FOREWORD by Rob Bickerton

The 2025 edition of the University Wisden is proudly presented to Members.

It is the 40th edition of this enduring and unique publication and coincides with the 50th anniversary of the club's founding. This edition also includes the Team of the Half Century as selected by the Life Members, the completion of the Season's Statistics page, the completion of the Five Wickets in an Innings List and the inclusion of the Most Red Ink's list. Also notable was a new club individual score record of 226 not out by Jacob Spurr.

Mens' Cricket.

After the on field achievements of 2023-24, there were high expectations of further success in 2024-25. Unfortunately the season ended in disappointment with only one finals appearance and a wooden spoon.

Our first grade team finished eighth. We won three of the first eight games, then lost the last six to collect the wooden spoon. The batting was brittle, with only two batters passing 200 runs, only one batter averaging more than 20, one century and three other scores over fifty. Only once did the team score more than 200 in a two day game and there were no century partnerships. The bowling lacked penetration with only one bowler taking more than twenty wickets and no bowler averaging less than 20. Our season in first grade taught us many lessons and when we get our next opportunity in first grade, we now know what is required to succeed.

Our third grade finished fourth and played SKLP in the semi final. We were bowled out for 58 on the first day but fought back to have SKLP 7/72 early on day two, however the last three wickets put on 85 runs to end any hope of an unlikely outright win. Special mention must be made of Ryan Kovalevs season with the bat; he scored 731 runs at an average of 56.23 including two centuries and three fifties. He becomes the fifth player in club history to score more than 700 runs in a season.

Our G grade team finished fifth with nine wins and nine losses. We were in the top four with two games to play but we lost both and missed the finals. Special mention must be made of the excellent debut season by Ben Ingle who scored 356 runs and took 20 wickets

Womens' Cricket

Our Womens' team won four games and finished in seventh position. After three consecutive years in the finals including one premiership, we found ourselves in very competitive grade following a competition reorganisation. We failed to win any games against the top four teams. Our challenge is to improve significantly to be a finals contender in 2025/26.
